

Hello (Potential NEW Member),

Special NOTICE

Welcome to [**GAIN 2U NETWORK**](#)

We are now restarting our sponsorship program to create a universal basic income.

PRE-Launch is NOW!

The infrastructure is now complete and we are ready to get back to business. We apologise for the delays, but it is all about timing. The year 2024 will see great changes. We pray, with your help, this is one of them!

THE PLAN

[**Video Presentation**](#)

Members have a 3-month FREE Trial with 10,000 CR to kick-start their internal credit e-wallet account, in our decentralized system.

It's time to sponsor New Members. This will create a universal basic income. Here is how it works!

Join the Affiliation by opening an account [**HERE**](#).

Confirm the email link sent to you.

Login to the website using your username and password [**HERE**](#).

1. Verify your account with a Photo of your true likeness, holding your current ID next to your face. Upload it to your profile, along with ID, Proof of Address from a Bank Statement and confirm your email address and mobile phone number to receive your 10,000 CR to participate in the sponsorship program 2024.

2. You will be upgraded to a Silver Plan that costs 1,000 CR each week, that is deducted from your e-wallet account to cover the Silver Membership Plan cost.

3. There is 13-weeks in a 3-month period. Use the first week to sponsor as many New Members to JOIN. Your minimum target to qualify is (10) Ten New Members. Act promptly because your 10,000 CR will reduce each week.

USE your URL Referral Link from your back-office Login area to email your mailing list and social media.

4. Each Member you introduce, who verifies their e-wallet account and profile, the AD-Minister of the program will credit your e-wallet account with 500 CR from each qualified Member, every week. This creates your universal basic income for as long as the New Member you introduced, remains a member in the system.

5. The more New Members you introduce, the more 500 CR you receive. (10) Ten verified New Members creates 5,000 CR a week universal basic income. Less or More is up to you.

6. After the 3-months Trial period has expired, you have a choice to make.

CANCEL your Membership, which means any accumulated credits in your e-wallet account will be forfeited to the gain2u system, **OR**

STAY and participate in a Contribution Society that requires you to Pay the one-time 250 Euro Dollars set-up pledge and an ongoing contribution of 5.50 Euro Dollars each week to maintain the infrastructure of the Contribution Society.

Please see the FAQ's (Number 4) How much does it cost?

7. After you have qualified with (10) Ten New Members plus, and are receiving a regular universal basic income, you now have full autonomy over your account. This is where you can transfer credits to the [GAIN 2U MATRIX](#) trade and barter exchange platform to advertise, promote, list, sell, buy, swap, gift vouchers, barter, trade and exchange your unused items laying around the home, business products and services, charge out your labour and sweat equity and more.

It is the responsibility of the Sponsor to assist their NEW Member(s) during their first month of joining.
