Sovereignty is not subject to law, for it is God, the author and source of laws of maxim, written on stone tablets. There can be no limitation to the sovereign rights of hue-manity.

'As in all great critical periods in hue-man history, hue-manity is now going through a spiritual rebirth. Great forces of unconsciousness are afoot and seen to be dominant, but constructive and creative forces that will redeem hue-manity are also being released through several channels. Although the working of these forces of light is chiefly silent, they are eventually bound to bring about those transformations that will make the further spiritual advance of hue-manity safe and steady. It is all part of the divine plan, which is to give to the hungry and weary world, a fresh dispensation of the eternal and only 'Truth.'

The primary purpose of the Foundation is to fund, facilitate, implement, and operate, projects and enterprises that are sustainable in the etheric atmosphere, sea of space and natural environment of Earth. The projects and enterprises are particularly to support, sustain and benefit the 'Participant(s)' in such projects and enterprises, and also communities globally, whereby, a percentage of contribution, back to God and fellow man is committed.

'In the light of the truth of the unity of life', to encourage, promote, and foster 'cooperative and harmonious action to become natural and inevitable, and hence the chief purpose' is to encourage, promote, foster and support 'the rebuilding of hue-manity and to dispel the spiritual ignorance that envelopes hue-manity.' Spiritual experience is not accessible to the limited hue-man intellect, until the intellect transcends its limits and is illuminated by direct realization of the Infinite.
